

Veterinarians Giving Back

# Veterinarians GIVING BACK

Join a powerful new initiative with **Canines for Service**, connecting Cape Fear-area veterinary clinics with Veterans in need of life-changing service dogs.

Your sponsorship helps cover the cost of veterinary care, training, and support for a Service Dog in Training—while proudly highlighting your clinic's commitment to those who served.

## Each Annual \$1,500 Sponsorship Includes:

### Welcome Post

Co-branded and tagged social media post announcing your participation.

### Website Recognition

Your logo (linked to your website) featured on our new Vets for Vets page, organized by location (Wilmington, Leland, and beyond).

### Annual Lobby Plaque

Branded plaque for your clinic—updated each year to showcase continued support.

### Photo Opportunity

In-clinic visit from a Service Dog in Training plus additional social media spotlight.

## Why Sponsorship Matters

As a veterinarian, you already care for animals every day. Now, you can extend that care to the people who need them most.

*\*Plaque image is for illustration purposes and subject to change.*

## Support the health of our heroes

Stand out as a local leader committed to giving back.
